## Ohaus 4' x 4' 5,000 lb. VN Floor Scale with Indicator

\$1,315.00

The Ohaus VN Series of floor scales is the most economical solution to dry-weighing needs in industrial and commercial environments. High-quality mild steel construction is designed to minimize distortion under heavy loads, and stainless steel ball-in-cup swivel feet ensure a simple, trouble-free installation. Equipped with a T31P ABS industrial plastic indicator with counting function.

Stainless steel junction box is standard. **NTEP certified.** Factory wired and calibrated for out-of-the-box weighing.

Buy floor scales online with Cech and buy with confidence. Cech is Michigan's premier online distributor of bench, compact, floor, crane and counting scales for use in industrial, retail and other applications. Buy Mettler Toledo, Ohaus, Rice Lake and Cech Private Label scales online at prices the competition can't beat.
